There have been significant changes to the Marina and the surrounding property for our event this year. Some spaces are no longer available for the event; the booth area will be a much smaller field. This year, you may not be able to locate in the same space as a prior year. It is very important that you contact us prior to sending in your contract to confirm that there is availability for the space you require.

There are a limited number of spaces that will allow on-site trailer parking. Your complete rig, including tongue and ramps will be required to fit within the allotted space that you rent. You may need to purchase additional spaces to accommodate your vehicle, trailer, display, etc. These are available on a *First-come, First-served* basis. The earlier we receive your payment and contract information, the better your chance of acquiring one of these spaces. You will need to contact us to confirm availability before you send your contract into us, if you wish to reserve a specific space .

The vendor spaces are protected and monitored with 24 hour security beginning Friday at 7pm.

NO VEHICLES WILL BE ALLOWED IN THE EVENT AREA WHEN IT IS OPEN TO THE PUBLIC; NO EXCEPTIONS. This a safety issue and will be strictly enforced. If you park within your rented vendor space, you will not be able to enter or leave between the hours of 7 am and 5 pm both days.

The event and parking is *free* to the public.

Incentives are provided upon receipt of vendor space reservations and payments made before February 15, 2019. ALL cancellations will incur a \$50 processing fee. Cancellations after February 27, will result in a forfeiture of space fees.

No sales of food prepared-on-site are permitted. Sales of pre-packaged food items (honey, jerky, etc) will be evaluated upon request.

Vendors are responsible for cleanup of rented space. The space shall be returned to "broom clean" condition. Garbage receptacles are provided for this use. Cleanup includes removal of any and all articles placed in or on the ground (including waste products, merchandise and debris). Anyone not complying with this will incur additional cleaning fees and will not be invited back to this event.

Reserved vendor parking is marked and exists adjacent to the flea market vendor area.

Vendors will have no generators. No loud music, radios, stereos, TV, or loudspeakers. Be courteous to your neighbor and keep the volume down.

All flea market merchandise, vehicles and tent stakes must be within space assigned. All aisles must be kept open at all times for emergency vehicle access as required by the Fire Department. Offenders are subject to being removed from the Flea Market event and from future event registration.
